

Summer 2012 Research Internship in Edmonton/Canada – 2nd round

The UAlberta Summer 2012 Research Internship Program is inviting up to 12 interns. This unique program offers an exclusive opportunity to work on research projects throughout different academic disciplines.

The selected students will participate in a ten-week research internship during May – August, 2012 at the University of Alberta and will be provided a \$ 5,000 award for their participation. Additionally, the students will be provided with orientation services and will be included in a social program of intercultural activities, and participate in a closing ceremony where they will be issued Certificates of Participation. Research opportunities are available on the website after a short registration.

APPLICATION PROCESS DETAILS

Students create an account and are able to log on to view and apply to the posted research projects. They can submit a maximum of 2 applications. All supporting documents (resume, academic references, etc) should be uploaded and submitted online.

Applications in the 2nd round will be received from February 1st to February 15th, 2012.

All information on the intern positions and the Application Forms are online after a short registration at:
